

**APPLICATION SUPPLEMENT
SCHOOL GUIDANCE COUNSELOR**

Use additional paper if necessary.

1. MSDB is a K-12 special purpose day school with a residential program. What do you believe is the role of the school counselor with a school like MSDB?
2. How does the role of school counselor differ from that of a behavior specialist or a therapist?
3. What do you believe is the role of a school counselor regarding the management of discipline in the school environment?
4. What do you believe is the most important thing the school counselor should focus on in the elementary grades? middle school? high school?
5. At what age would you suggest beginning a post high school plan for a student, and what would that plan include?
6. Do you work best as part of a team (teachers, support staff and yourself), or independently? How would you organize a team staffing and follow-up regarding a student?
